POLICY #III.2 (formerly #47)	Committee Membership	Approved by: Board of Directors

This policy covers the committees that advise the Board of Directors according to KBOO bylaws Article VIII, Section 4.

Committee members include at least one Board member, one staff member, and any other KBOO member who wants to become a committee member and attends three consecutive regularly scheduled workgroup or committee meetings. The secretary of the committee must verify KBOO membership and attendance at three consecutive regular meetings for a KBOO member to become a committee member, which begins with the fourth meeting attended. Once a Foundation member becomes a committee member, committee attendance counts as volunteer service.

Committee members may be removed for cause according to Robert's Rules of Order or for non-attendance as specified in KBOO bylaws Article VIII, Section 5.

Adopted by Board of Directors 12/29/93, as amended 2/23/94, 11/24/14, 3/27/23
